COPENHAGEN PHOTO FESTIVAL 2014
~ FIVE-YEAR ANNIVERSARY ~

Copenhagen Photo Festival invites you to the five-year anniversary of the Festival.

The festival celebrates photography with exhibitions in galleries, museums, independent venues in Copenhagen and surrounding area, in south of Sweden and several places in the rest of Denmark. The heart of the festival is Photo City in The Carlsberg City District [Carlsberg Byen] where you can experience lots of exhibitions, Photo Stage, newspaper photo department on location and a cinema. As always we invite you to join artist talks, portfolio reviews, workshops, and much more. Stay updated on the event program on the festival website, Facebook and through our daily newsletters during the festival. Enjoy!

PICTURE THE MUSIC

The two famous Danish photographers Søren Solkær and Joachim Ladefoged curate the exhibition, Picture the Music. The exhibition shows music photography taken by amateurs and professionals from all over Denmark. Copenhagen Photo Festival will present an exhibition in eight different cities in Denmark that captures the sense of music, emotions, memories, and experiences related to music. Picture the Music is supported by Nordea-fonden.
